** If receiving a kit fee it is expected that dressers will have a small amount of consumables in their kit. That is what part of the kit fee pays for. The majority will come from production but dressers should have available at all times:

- Stove pipe wire
- Picture hanging wire
- Fishing line
- Zip Ties
- Butyl(Snot) tape
- Electrical tape
- Scotch tape
- Painters tape
- Packing Tape
- Black cloth tape
- A small amount of the following hardware: Screws(various sized), drywall anchors, tacks, picture hooks, finishing nails.
