IMPORTANT REMINDER!!!

Attention IATSE 634 members.

Please remain aware of rules governing IATSE members working in any other Local's jurisdiction.

As an IATSE member, you must gain the permission of the Local you are working in before commencing a project. This applies to union and non-union projects. Failure to do so will place you in violation of IATSE jurisdictional rules, and subject to discipline or fines.

This requires IATSE 634 members to inform their Local if they are booking work on non-IATSE projects in northern Ontario, as well as informing other Locals if they enter their jurisdictions.
