REPORT: Scott Thom- Film Liaison

Greetings, Brothers, Sisters and Kin.

Welcome to 2019.

We will be starting with a bang as Cardinal 4 (Until The Night), and Carter Cycle 2 have both signed contracts and will be occupying a good number of our North Bay and Sudbury crew through the winter and spring.

Our training initiatives have started, and we would encourage all members to take advantage of courses offered by the Local. We ran both a WAH and an AWP course at Cooper before Christmas. They were not full, and we are offering more in January that currently have spaces available. The Local will pay for 100% of training on courses that we run. There will be a request for a refundable deposit to guarantee your place. It will be refunded on successful completion of the course. Training arranged individually through third-party providers will be refunded at least 75% upon successful completion. Contact Keith Clausen for details.

Also, Suzanne Sardinha will be reaching out to Members and Permits to confirm information as we clean up our lists in order to move forward with the management of hiring within the Local. Please look for an email in your Junk folder if you do not see it in your Inbox. Your response, and those of our permittees is vital to the momentum of this project.

The CRA has finally weighed in and defined the Proof of Residency requirements for deal memos. The details can be found on the CMPA website. This should lead to a great deal more consistency in the requests from Accounting.

Please attend our next Meeting at the Lexington, Sunday Jan 13 at 1 pm.

Yours in Brotherhood...
